By Ben, Leon, Steve, Sam and Sam2. (A.K.A

(Janice was there once 😊(for a short
time!(well 5 mins)(well might be less)(might
be more?)))

Gather people, let me tell you a story.....

Yeah Jesus!!

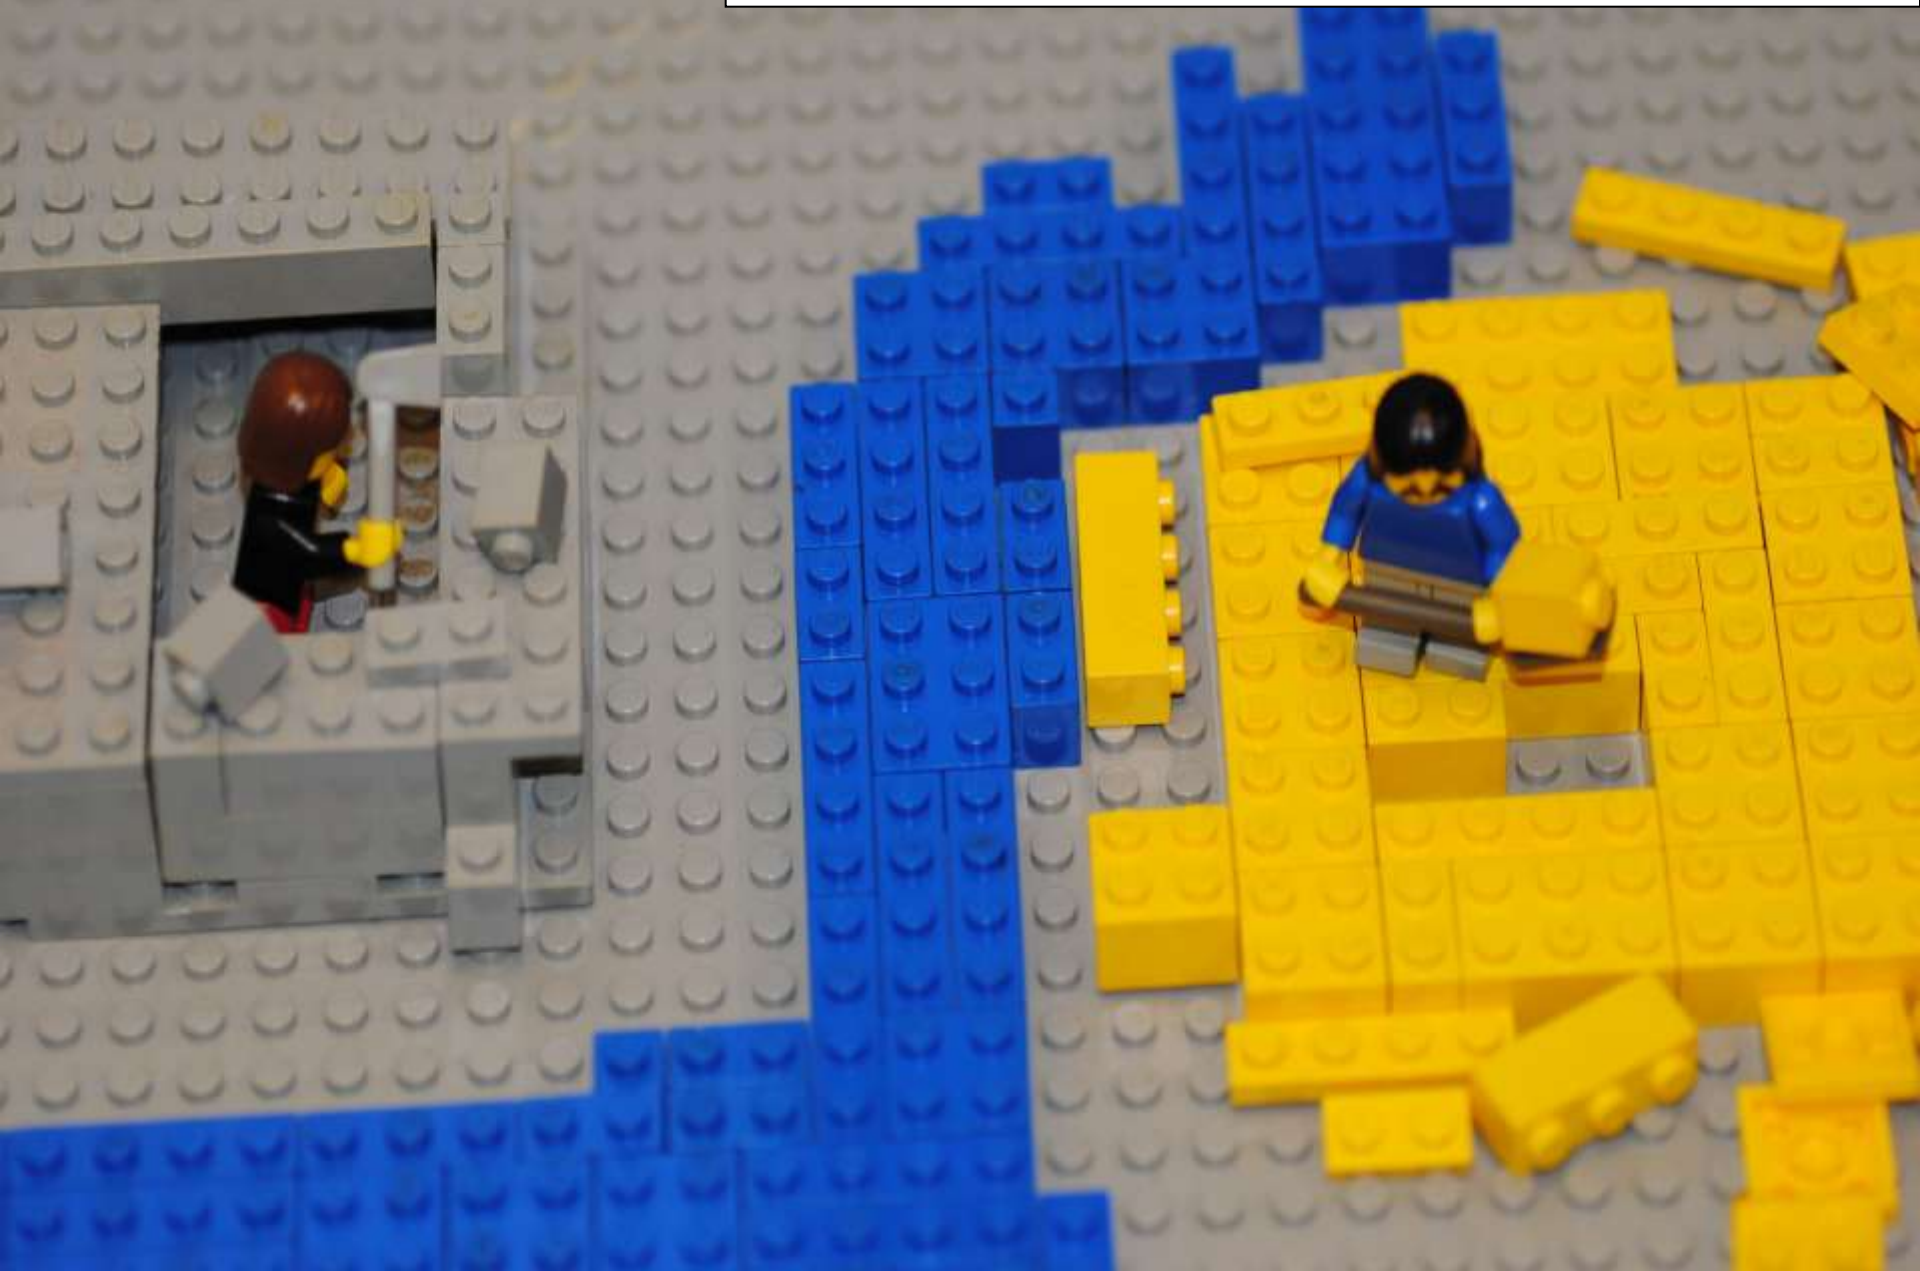

Go Jesus!!

We love Jesus!!

*Hush, this one
is about two
builders. A wise
one and a
foolish one...*

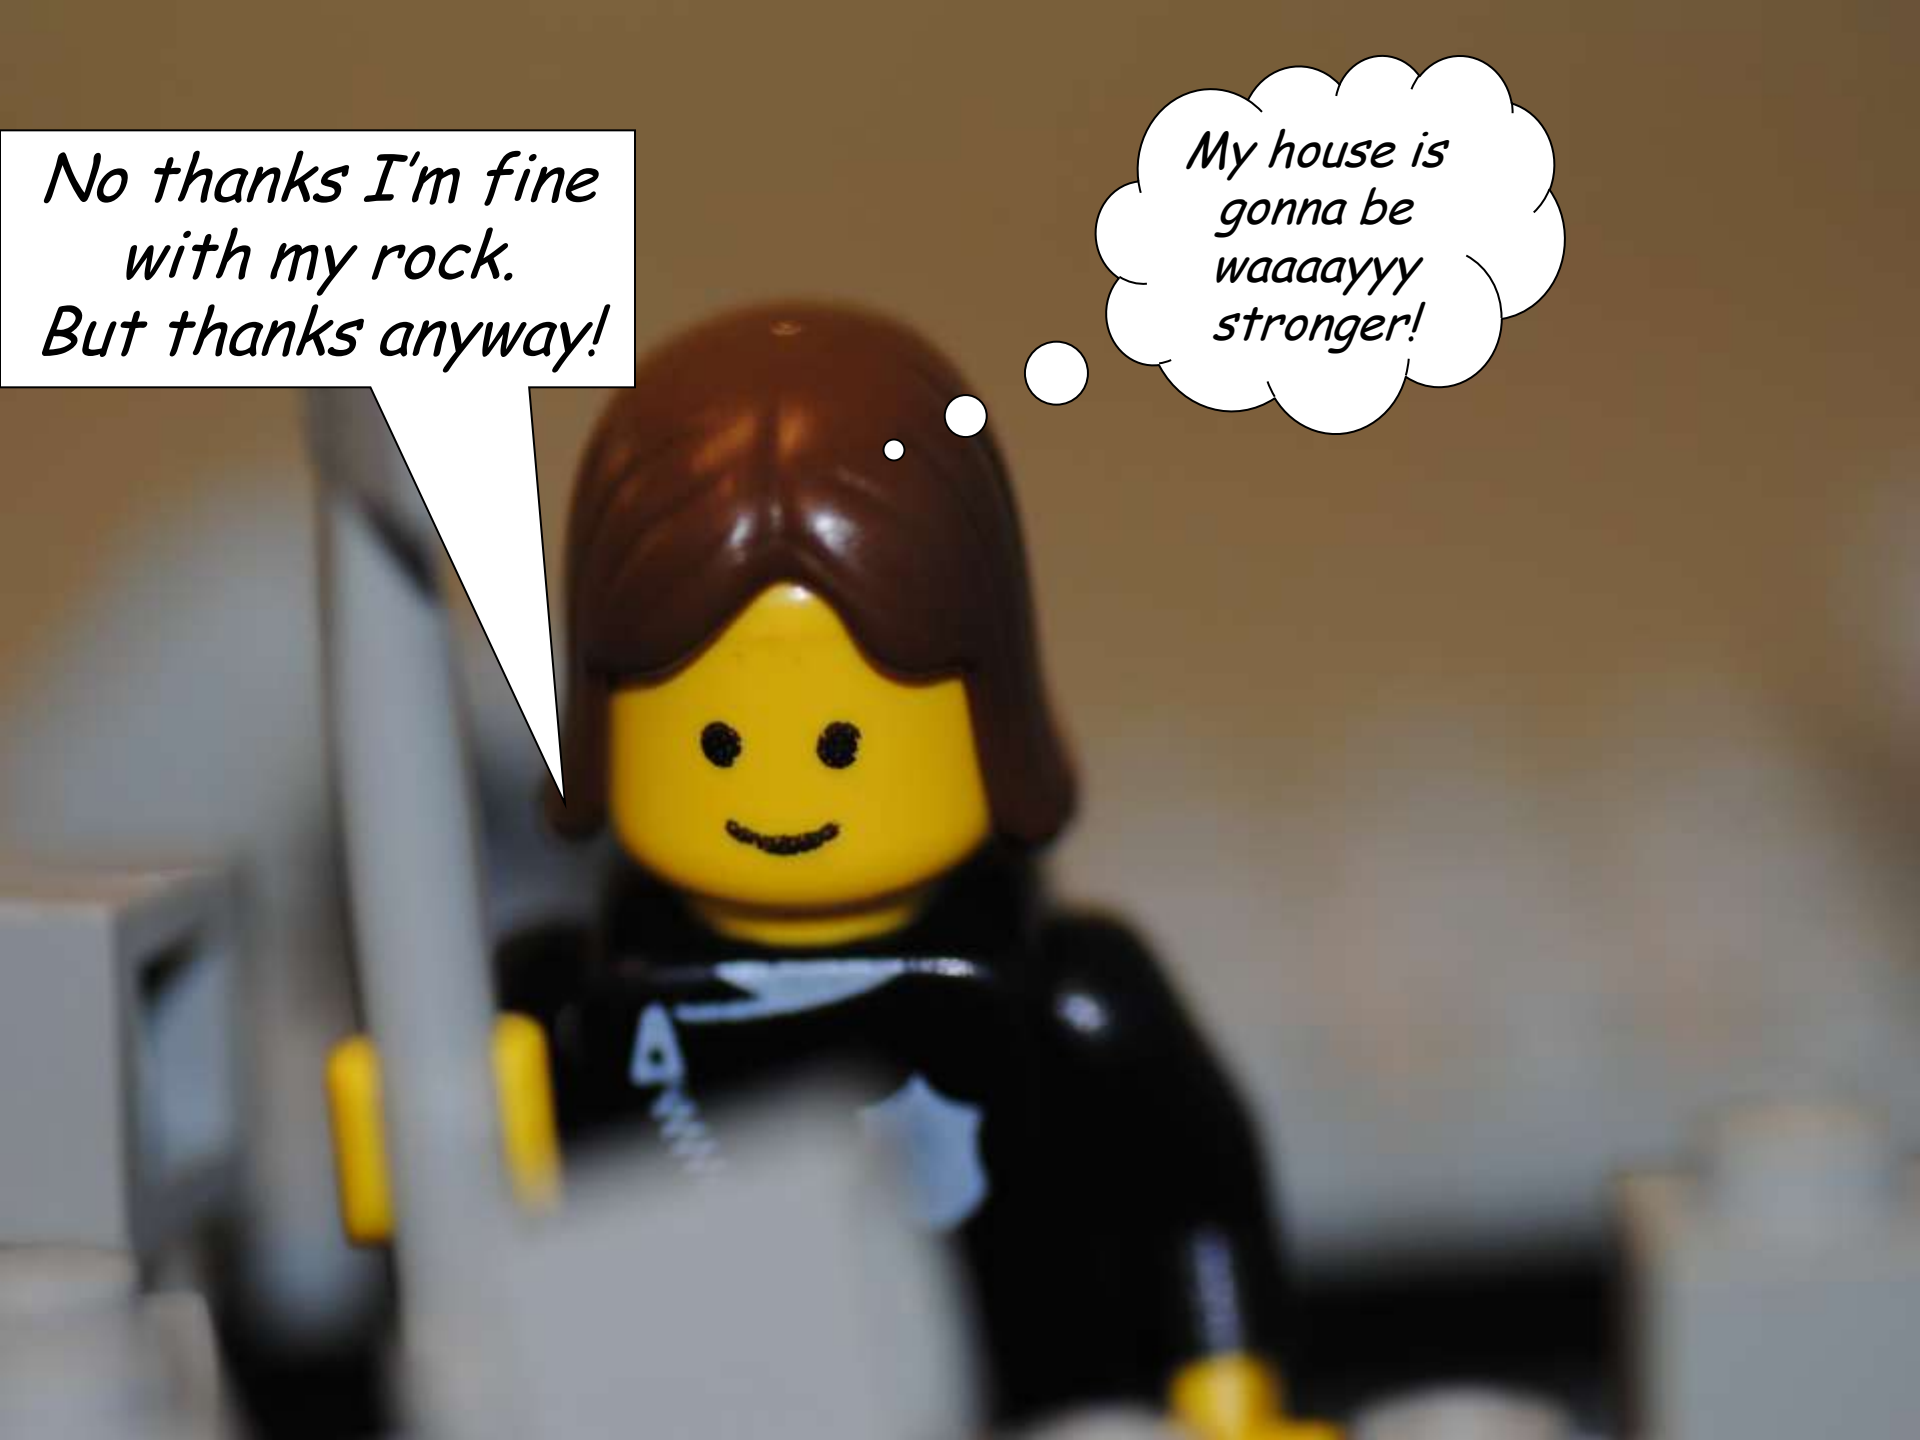

They began building at the same time...

*OMG!! You need to
start building on
the sand
DUUUUUUDE!*

*No thanks I'm fine
with my rock.
But thanks anyway!*

*My house is
gonna be
waaaayyy
stronger!*

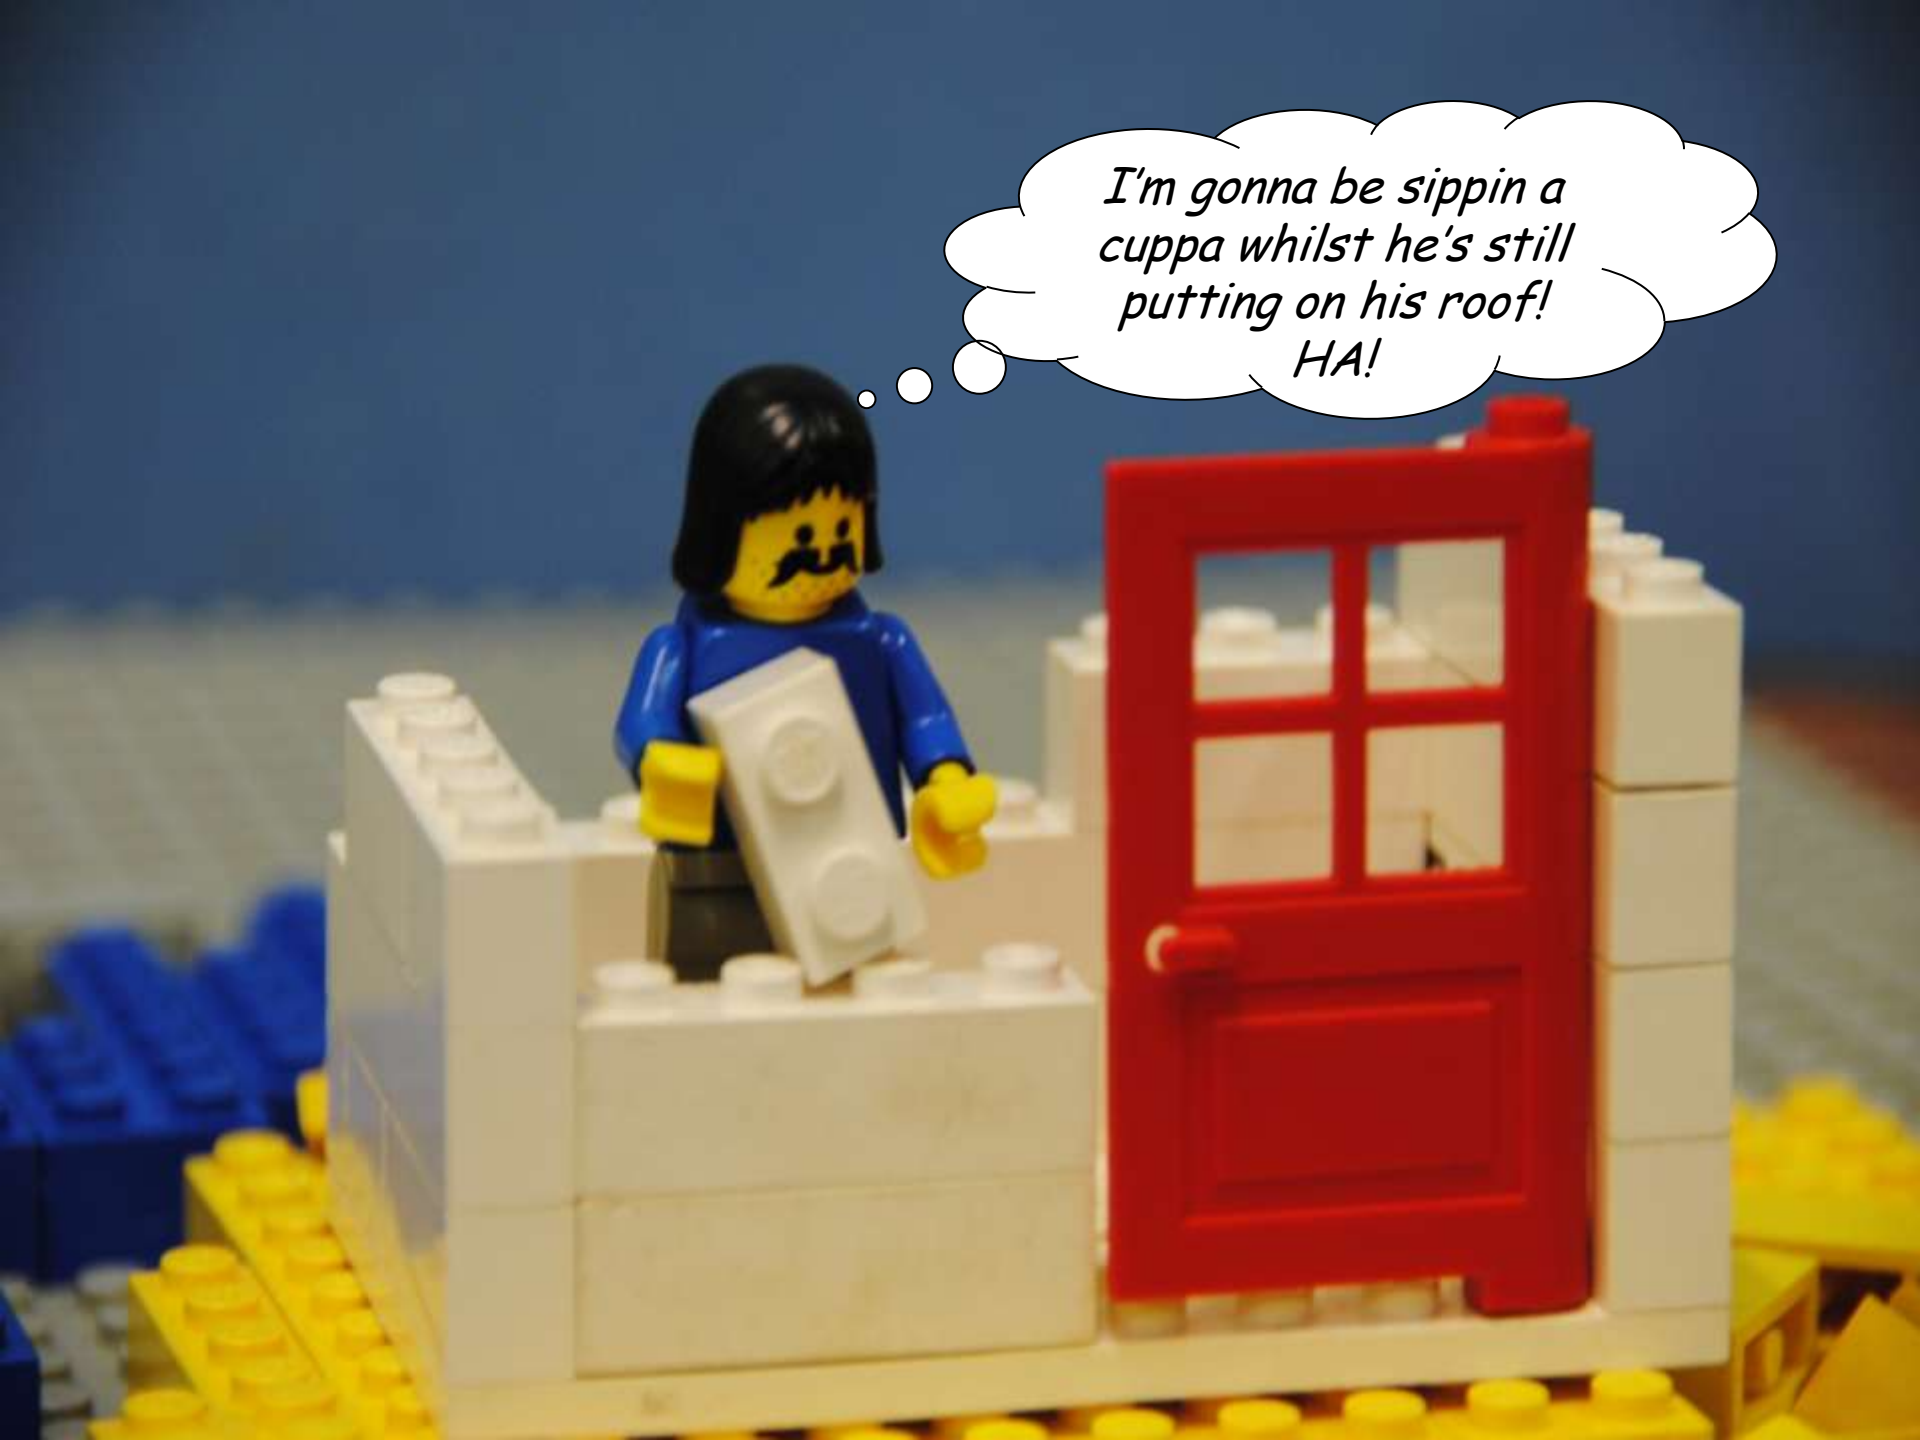

*SUCKER!
My house is
gonna be done in
no time!*

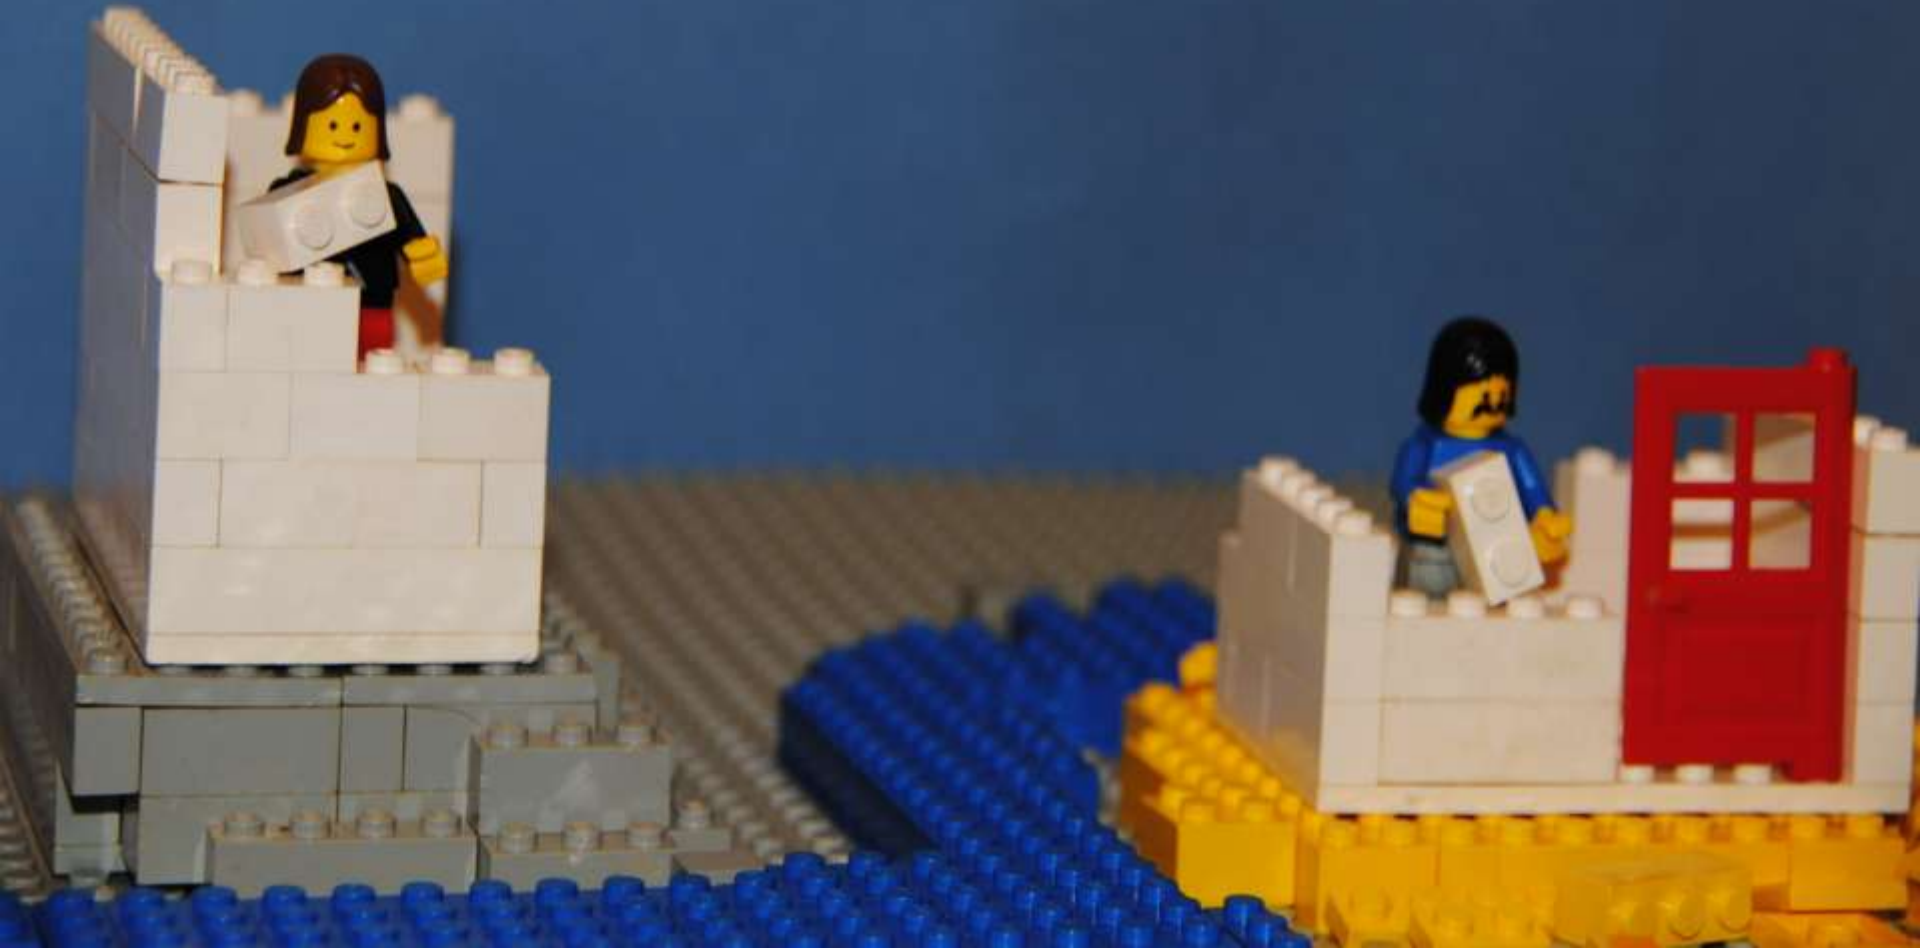

*The wise man built
his house upon the
rock...*

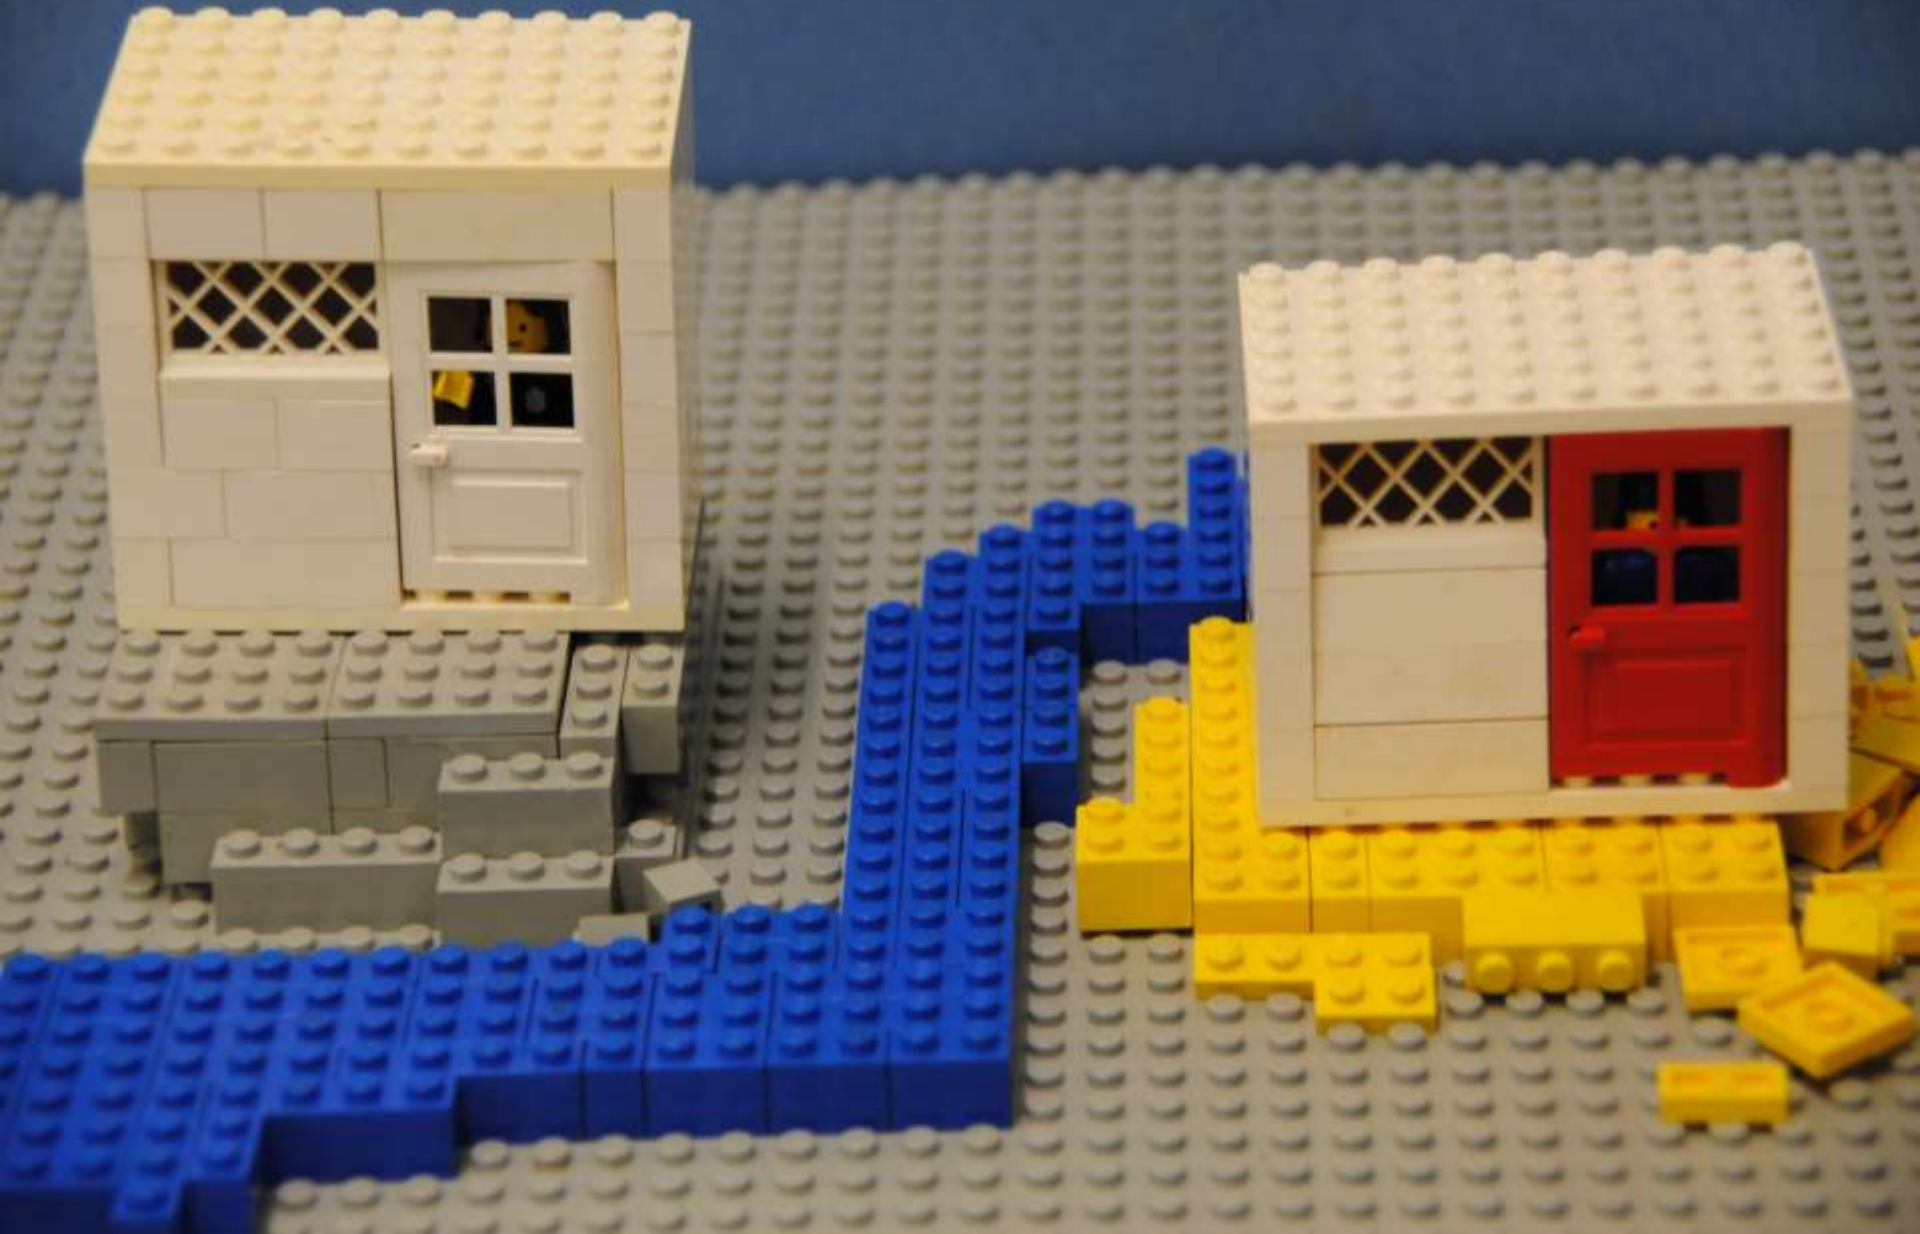

*I'm gonna be sippin a
cuppa whilst he's still
putting on his roof!
HA!*

The foolish man zoomed ahead in building his house...

Eventually both houses were finished..

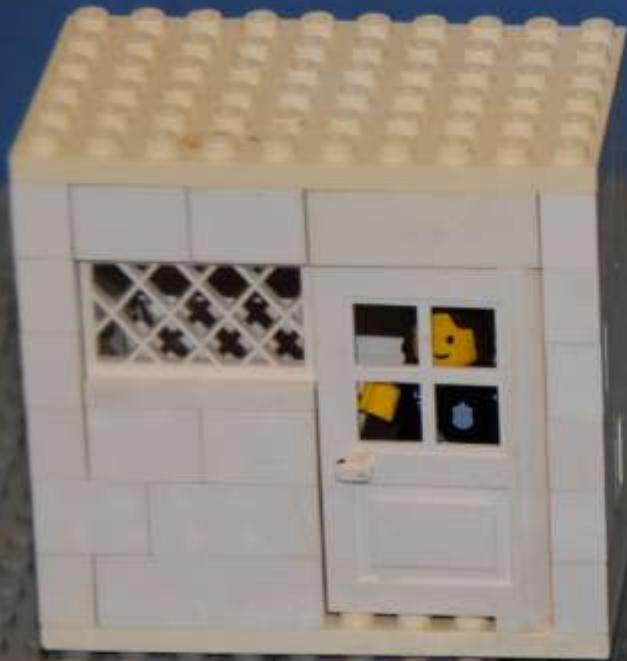

*I'm so pleased
with my house!
It's solid as a
rock!*

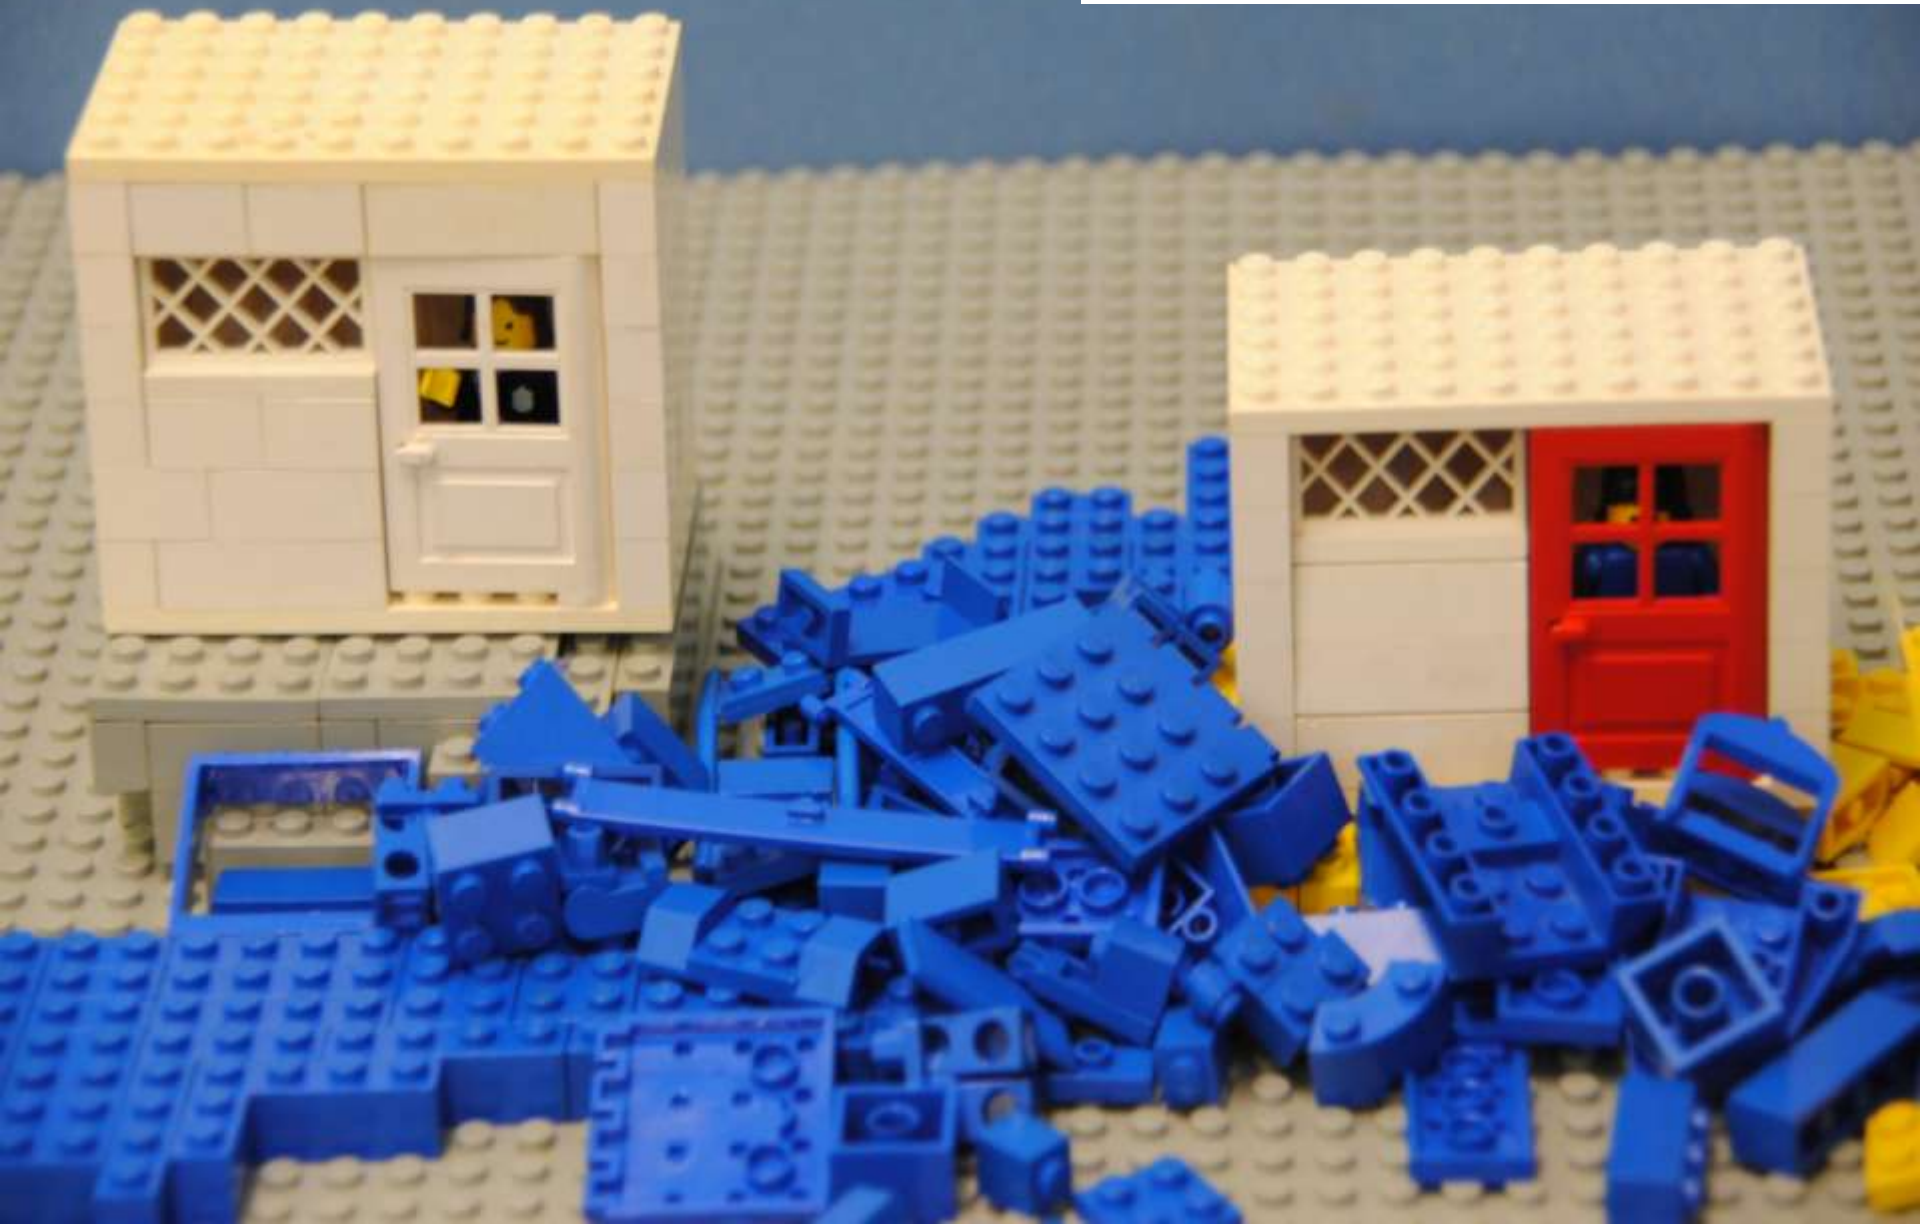

*I'm so pleased
with my house!
It's solid as a
rock!*

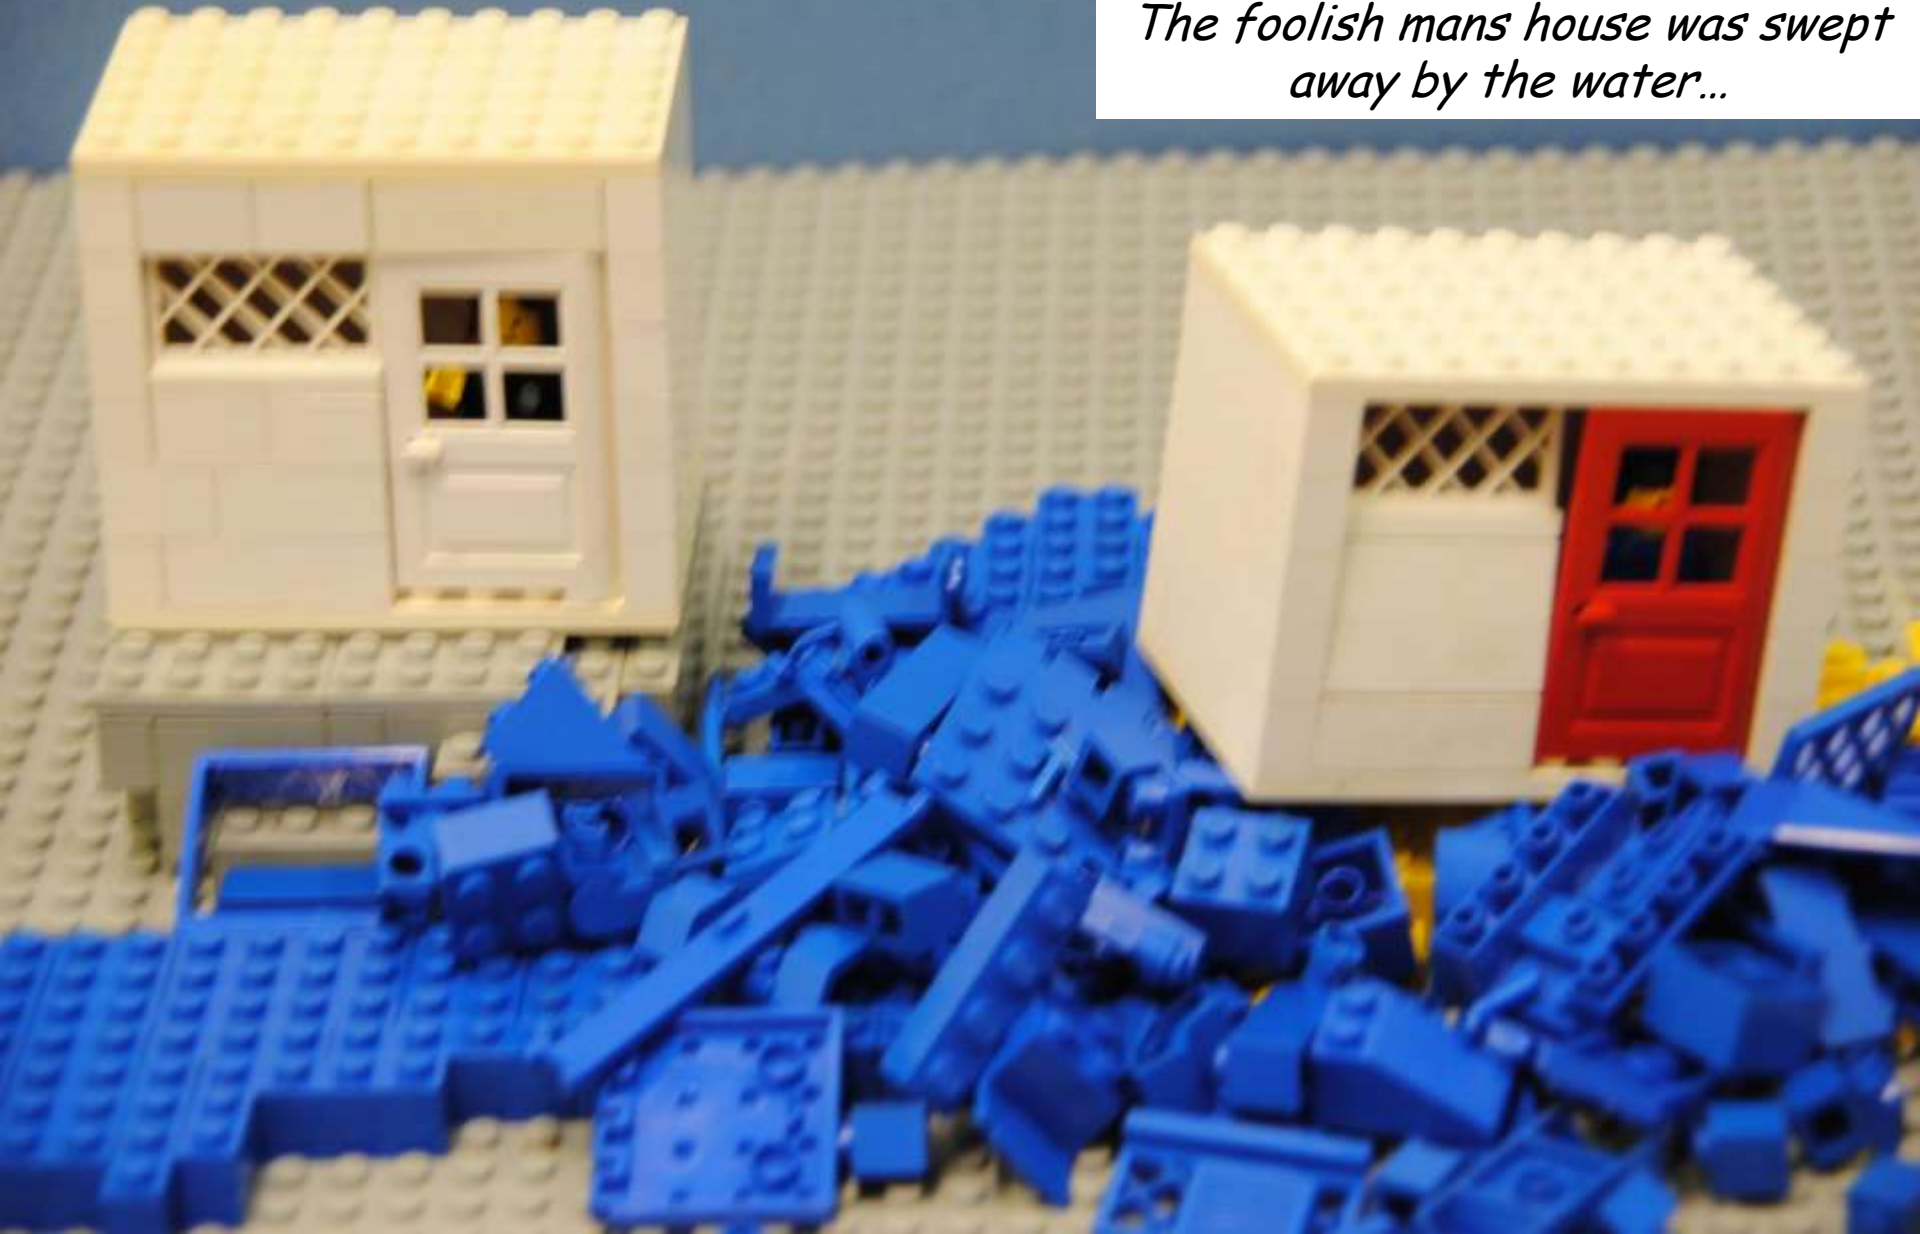

*But then it started raining and the river
swelled bursting its banks...*

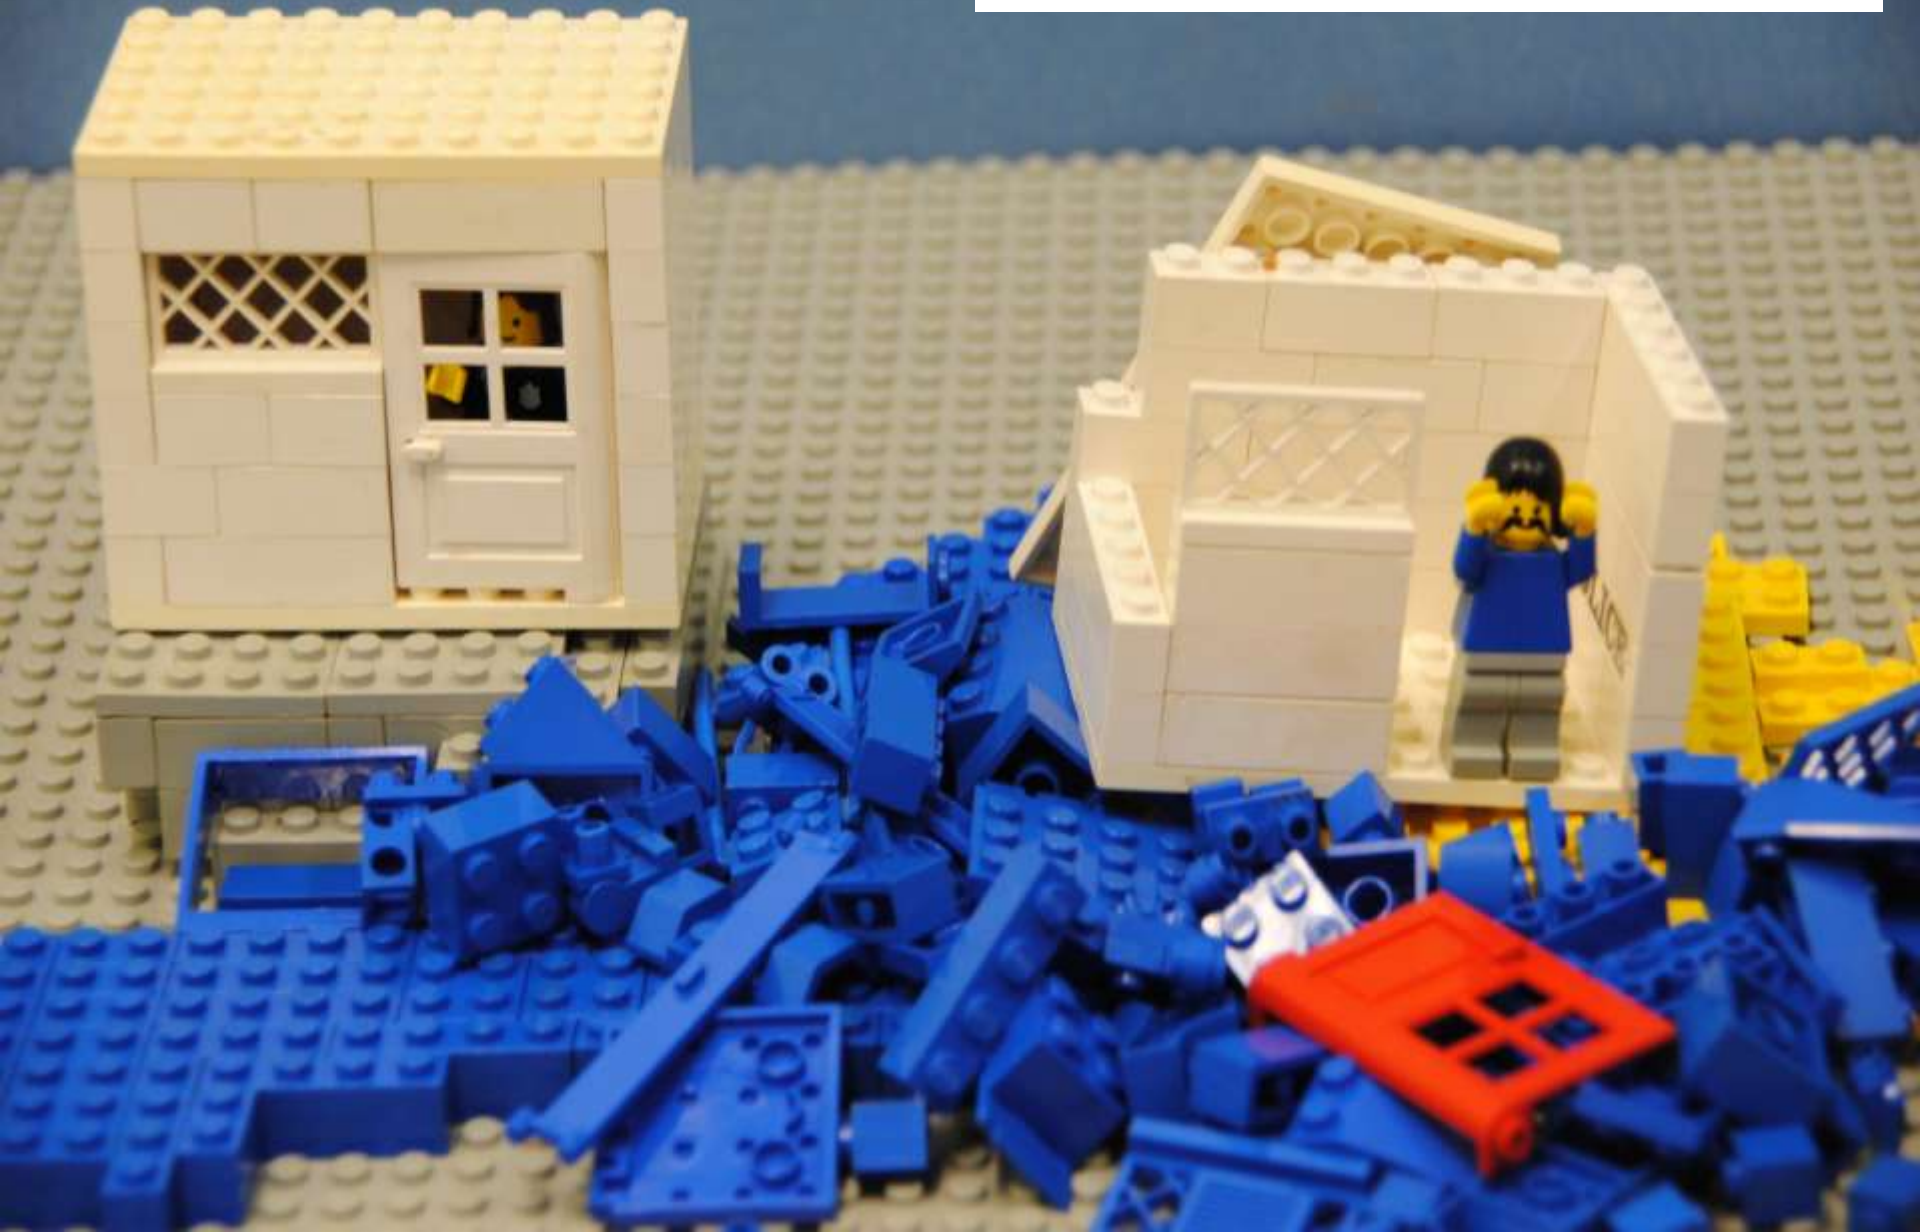

*The river got closer and closer to
the two houses...*

*The foolish mans house was swept
away by the water...*

The house started falling apart around the foolish man...

The whole house came down around him. Washed away in the flood...

*If only I'd built on the
rock!*

*If only you'd built on
the rock!*

So you see, the wise man was safe for he built on the rock. God's word is the rock you need to build your lives upon to stay sure and steadfast. So go, build you lives on the word of God.

Special thanks to...
